## FEATURES

---

- Soothing and restorative facial
- Reduce redness and puffiness
- Use in the morning to refresh your face

## FIT TO YOUR REGIME

---

Best used in the morning to tighten your skin prior to applying makeup, however you can use any time and as often as you like. For the most relaxing results convince your partner or friend to conduct the facial for you.

They can also be used to help relieve tension headaches, press when cold over area of headache to relax the area.

## USING THE CRYO FACIAL SPOONS

---

- 1 Clean face and apply your favourite serum so you have enough slip to glide the spoons over your face

**NOTE:** *Lift the spoons, do not drag backwards, then repeat each action 5-10 times before moving to the next step*

- 2 Forehead: start at the centre of your forehead and glide to your temples
- 3 Eyebrows: to work your brows glide in an arc over your brow and out towards your ears
- 4 Eyes: Start under your eyes near you nose, apply a medium pressure and move out towards your ears
- 5 Cheeks, Lips & Chin: roll your cheeks, lips and chin from the centre of your face to the outside and repeat
- 6 Jawline: start at your chin and push towards your ears
- 7 Neck: start at your ears and gliding down towards your shoulders
- 8 After use, wipe down with a damp cloth and store in fridge or freezer ready for next use

### While not in use

Store the spoons in the plastic container that is provided to keep the spoons safe

**NOTE:** *The spoons can break if dropped or impacted. The internal liquid can be dangerous, so be careful and use with caution.*

## FAQ

---

Do I need to keep these in the fridge or freezer?

- No, you can store in a dark place (in a cupboard or similar) and they will stay cool due to the cooling properties inside the products
- If you do want an intense cooling treatment store in the fridge or freezer for 3-4 hours before use

Do I need to complete all steps of the facial?

- No, for a quick facial just focus on the areas you feel you need it
