USING THE COLD BODY ROLLER

- 1** Keep in the fridge or freezer and use cold
- 2** When using on your face and décolletage roll in sections, repeat each step 5-10 times or just focus on a specific area you want to target.

Forehead: Start at the centre of your forehead and glide to your temples

Eyebrows: Glide over your brows towards your ears

Cheeks, lips & chin: Roll from the centre of your face away from your nose

Jawline: Start at your chin and roll towards your ears

Neck: Roll down from your ears towards your neck

Décolletage: Roll outwards from the centre of your chest towards your shoulders

- 3** When using on your body:
 - Focus on specific areas, target knots or tight muscles. Roll as gently or firmly to suit your body. Repeat until you feel relief.

Wipe clean after use with a damp towel.

While not in use store in the provided case to protect the roller

NOTE: The roller can break if dropped or impacted. The internal liquid can be dangerous if ingested so be careful and use with caution.
